**Explanation of Responses:**

- Compensation for service on the Board of Directors and for attendance at Board meetings. Non-employee directors receive compensation in the form of options to purchase shares of the Company's common stock at below market prices (\$0.25 per share), in lieu of cash payments of \$4,500 quarterly, \$1,500 per meeting attended in person or videoconference, and \$500 for a meeting attended by telephone. The number of shares is calculated using the closing price of the Company's common stock for the date of a Board or Committee meeting or, with respect to the quarterly retainer payments, the closing price for the last business day of the quarter, less the option price of \$0.25 per share. Options so issued vest immediately.
- Compensation for service as a Consultant to the Company, payable at the Company's election either in cash (\$12,500 quarterly) or in the form of options to purchase shares of the Company's common stock at a below market price (\$0.10 per share). The number of shares is calculated using the average of the closing prices of the Company's common stock for the 20 trading days prior to payment, less the option price of \$0.10 per share. Payment is normally made quarterly in advance, but payment in stock options for the fourth quarter of 2002 was only authorized on October 24, 2002. Options so issued vest immediately.
