**PROXY STATEMENT  
2021 ANNUAL MEETING OF SHAREHOLDERS**

**August 18, 2021**

This proxy statement and the accompanying proxy card is furnished in connection with the solicitation by the Board of Directors (the "Board") of Microbot Medical Inc., a Delaware corporation (the "Company"), of proxies for use at the 2021 Annual Meeting of Shareholders (the "Annual Meeting") to be held at the offices of the Company, located at 25 Recreation Park Drive, Unit 108, Hingham, MA 02043, at 11:00 A.M., Eastern Time, on September 29, 2021, or at any adjournment or postponement thereof, for the purposes set forth in this proxy statement and the accompanying Notice of Annual Meeting of Shareholders.

The Company is making available to you over the Internet or delivering paper copies of this proxy statement, a proxy card and the Company's 2021 Annual Report on Form 10-K for the fiscal year ended December 31, 2020 (the "Annual Report"), in connection with the Annual Meeting. The Company is using the rules of the Securities and Exchange Commission ("SEC") that allow companies to furnish their proxy materials over the Internet. As a result, the Company is mailing to many of its stockholders a notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. All stockholders receiving the notice will have the ability to access the proxy materials over the Internet, as well as to request a paper copy by mail or via email, free of charge, by following the instructions in the notice. The notice about the Internet availability of the proxy materials is first being mailed on or about August 19, 2021 to all shareholders of the Company entitled to vote at the Annual Meeting (the "Shareholders").

The Company will bear the cost of solicitation of proxies. Directors, officers and employees of the Company may solicit proxies by telephone, email, facsimile, in person or otherwise for no additional compensation. The Company will pay the entire costs of such solicitation as well as the costs of printing and filing this proxy statement and proxy card. The Company will reimburse banks, brokerage firms, proxy solicitors, and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of shares.

The Board of Directors has fixed the close of business on July 21, 2021, as the record date for determining stockholders entitled to notice of, and to vote at, the Annual Meeting or at any postponement or adjournment thereof. There were 7,108,133 shares of our common stock, \$.01 par value, outstanding on July 21, 2021, each of which is entitled to one vote for each share on the matters to be voted upon.

Stockholders are being asked to vote on two proposals at the Company's 2021 Annual Meeting. The proposals to be voted on and related recommendations from the Board of Directors are as follows:

- |                    |   |
|--------------------|---|
| Proposal Number 1. | The election of two Class III directors to the Board of the Company to serve until the 2024 Annual Meeting of Shareholders. The Board recommends that you vote "FOR" each of the nominees.  |
| Proposal Number 2. | The ratification of Brightman Almagor Zohar & Co., a Member of Deloitte Touche Tohmatsu Limited, or its U.S. affiliate, as the Company's independent registered public accounting firm for the year ending December 31, 2021. The Board recommends that you vote "FOR" this proposal. |

In the election of directors, which is Proposal Number 1, you may vote "FOR" both of the nominees or your vote may be "WITHHELD" with respect to one or both of the nominees. For Proposal Number 2, you may vote "FOR," vote "AGAINST" or "ABSTAIN." If you "ABSTAIN" as to Proposal Number 2, the abstention will have no effect.

Shares of our common stock represented by proxies in the form enclosed that are properly executed and returned to us and not revoked will be voted as specified in the proxy by the stockholder. In the absence of contrary instructions, or in instances where no specifications are made, the shares will be voted:

- i. FOR the election of two Class III directors to the Board of the Company to serve until the 2024 Annual Meeting of Shareholders.
- ii. FOR the ratification of Brightman Almagor Zohar & Co., a Member of Deloitte Touche Tohmatsu Limited, or its U.S. affiliate, as the Company's independent registered public accounting firm for the year ending December 31, 2021.
- iii. In the discretion of the named proxies as to any other matter that may properly come before the Annual Meeting.

Any stockholder signing and delivering a proxy may revoke it at any time before it is voted by delivering to the Company's corporate secretary a written revocation or a duly executed proxy bearing a date later than the date of the proxy being revoked. Any stockholder attending the Annual Meeting in person may revoke his, her or its proxy and vote his, her or its shares at the Annual Meeting.

***How to vote shares at our 2021 Annual Meeting.***

*Voting at the Annual Meeting.* All Company stockholders are invited to attend the Annual Meeting in person. Any stockholder that attends the meeting in person may deliver a completed proxy card in person or vote by completing a ballot, which will be available at the meeting. However, each stockholder intending to vote in person at the Annual Meeting should note that if his, her or its shares are held in the name of a bank, broker or other nominee, such stockholder must obtain a legal proxy, executed in his, her or its favor, from the holder of record to be able to vote at the Annual Meeting. Stockholders should allow enough time prior to the Annual Meeting to obtain this proxy from the holder of record, if needed.

Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. In most cases, you will be able to do this by telephone, by using the Internet or by mail. Please refer to the summary instructions included with proxy materials and on your proxy card. For shares held in street name, the voting instruction card will be included in the materials forwarded by the broker or nominee. If you have telephone or Internet access, you may submit your proxy by following the instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instruction card included in the materials forwarded by your stockbroker or nominee and mailing it in the enclosed, postage paid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

The shares voted electronically or represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting.

***Quorum, Required Votes and Method of Tabulation***

Consistent with Delaware law and the Company's amended and restated by-laws, a majority of the votes entitled to be cast on a particular matter, present in person or represented by proxy, constitutes a quorum as to such matter. Proxies received but marked as "ABSTAIN" or "WITHHOLD", if any, and broker non-votes (described below), if applicable, will be included in the calculation of the number of shares considered to be present at the Annual Meeting for quorum purposes. If a quorum is not present, we will be required to reconvene the Annual Meeting at a later date. The Company will appoint one or more election inspectors for the meeting to count votes cast by proxy or in person at the Annual Meeting.

If you hold shares beneficially in street name and do not provide your broker or nominee with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions have not been given. If you hold shares beneficially in street name and do not vote your shares, your broker or nominee can vote your shares at its discretion on Proposal Number 2. In tabulating the voting result for any proposal for which the required vote is based on the number of shares present, shares that constitute broker non-votes are not considered entitled to vote on that proposal. However, for proposals for which the required vote is based on the number of shares of common stock issued and outstanding, broker non-votes have the same effect as a vote "AGAINST" the proposal.

### What Vote is Required to Approve Each Item?

Election of directors by stockholders, which is Proposal Number 1, will be determined by a plurality of the votes cast by the stockholders entitled to vote at the election that are either present in person or represented by proxy. Consequently, any shares not voted at the annual meeting, whether due to abstentions, broker non-votes or otherwise, will have no impact on the election of directors.

For Proposal Number 2, the affirmative “FOR” vote is required by the holders of a majority of the votes cast by the stockholders entitled to vote at the Annual Meeting in person or by proxy and voting. Abstentions and broker non-votes will have no effect on the outcome of this proposal as they are not considered to be “votes cast” for purposes of this proposal.

Management does not know of any matters to be presented at this year’s Annual Meeting other than those set forth in this proxy statement and in the notice accompanying this proxy statement. Stockholders will have no appraisal rights under Delaware law with respect to any of the matters expected to be voted on at the Annual Meeting. If other matters should properly come before the meeting, the proxy holders will vote such matters in their discretion. Any stockholder has the right to revoke his, her or its proxy at any time until it is voted.

### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows the number of shares of our common stock beneficially owned, as of August 15, 2021, by (i) each of our directors and director nominees, (ii) each of our named executive officers, (iii) all of our current directors and executive officers as a group, and (iv) all those known by us to be to a beneficial owner of more than 5% of the Company’s common stock. In general, “beneficial ownership” refers to shares that an individual or entity has the power to vote or dispose of, and any rights to acquire common stock that are currently exercisable or will become exercisable within 60 days of August 15, 2021. We calculated percentage ownership in accordance with the rules of the SEC. The percentage of common stock beneficially owned is based on 7,108,133 shares outstanding as of August 15, 2021. In addition, shares issuable pursuant to options or other convertible securities that may be acquired within 60 days of August 15, 2021 are deemed to be issued and outstanding and have been treated as outstanding in calculating and determining the beneficial ownership and percentage ownership of those persons possessing those securities, but not for any other persons.

This table is based on information supplied by each director, officer and principal stockholder of the Company. Except as indicated in footnotes to this table, the Company believes that the stockholders named in this table have sole voting and investment power with respect to all shares of Common Stock shown to be beneficially owned by them, based on information provided by such stockholders. Bornstein, Burell, Madden, Laxminarain and Wenderow, and Ms. Stockburger. The Board held approximately nine regular and special meetings during the fiscal year ended December 31, 2020 and acted by unanimous written consent four times. Each of our then-directors attended all such meetings of the Board, except on two occasions one director was absent. While we encourage our directors to attend the Company's annual Shareholder meeting, we do not have a policy requiring that they do so. All of our then-directors attended in person or by telephone the Company's 2020 annual stockholder meeting.

### ***Committees of the Board of Directors***

Presently, the Board has three standing committees — the Audit Committee, the Compensation and Stock Option Committee (the "Compensation Committee"), and the Corporate Governance and Nominating Committee (the "Corporate Governance Committee"). All members of the Audit Committee, the Compensation Committee, and the Corporate Governance Committee are, and are required by the charters of the respective committees to be, independent as determined under Nasdaq Listing rules.

#### *Audit Committee*

The Audit Committee is composed of Messrs. Burell, Madden and Bornstein. Each of the members of the Audit Committee is independent, and the Board has determined that Mr. Burell is an "audit committee financial expert," as defined in SEC rules. The Audit Committee acts pursuant to a written charter which is available through our website at [www.microbotmedical.com](http://www.microbotmedical.com). The Audit Committee held four meetings during the fiscal year ended December 31, 2020 and acted by unanimous written consent one time.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities. The Audit Committee does this primarily by reviewing the Company's financial reports and other financial information as well as the Company's systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board of Directors have established. The Audit Committee also assesses the Company's auditing, accounting and financial processes more generally. The Audit Committee recommends to the Board of Directors the appointment of a firm of independent auditors to audit the financial statements of the Company and meets with such personnel of the Company to review the scope and the results of the annual audit, the amount of audit fees, the company's internal accounting controls, the Company's financial statements contained in this proxy statement, and other related matters

#### *Compensation Committee*

The Compensation Committee is composed of Messrs. Madden (Chairman), Bornstein and Stockburger. Each of the members of the Compensation Committee is independent. The Compensation Committee acts pursuant to a written charter which is available through our website at [www.microbotmedical.com](http://www.microbotmedical.com). The Compensation Committee held 11 meetings during the fiscal year ended December 31, 2020 and acted by unanimous written consent two times.

The Compensation Committee acts pursuant to a written charter. The Compensation Committee makes recommendations to the Board of Directors and management concerning salaries in general, determines executive compensation and approves incentive compensation for employees and consultants.

#### *Corporate Governance Committee*

The Corporate Governance Committee is composed of Messrs. Laxminarain, Burell and Wenderow. Each of the members of the Corporate Governance Committee is independent. The Corporate Governance Committee acts pursuant to a written charter which is available through our website at [www.microbotmedical.com](http://www.microbotmedical.com). The Corporate Governance Committee acted by unanimous written consent two times during the fiscal year ended December 31, 2020.

The Corporate Governance Committee oversees nominations to the Board and considers the experience, ability and character of potential nominees to serve as directors, as well as particular skills or knowledge that may be desirable in light of the Company's position at any time. From time to time, the Corporate Governance Committee may engage the services of a paid search firm to help the Corporate Governance Committee identify potential nominees to the Board. The Corporate Governance Committee and Board seek to nominate and appoint candidates to the Board who have significant business experience, technical expertise or personal attributes, or a combination of these, sufficient to suggest, in the Board's judgment, that the candidate would have the ability to help direct the affairs of the Company and enhance the Board as a whole. The Corporate Governance Committee may identify potential candidates through any reliable means available, including recommendations of past or current members of the Board from their knowledge of the industry and of the Company. The Corporate Governance Committee also considers past service on the Board or on the board of directors of other publicly traded or technology focused companies. The Corporate Governance Committee has not adopted a formulaic approach to evaluating potential nominees to the Board; it does not have a formal policy concerning diversity, for example. Rather, the Corporate Governance Committee weighs and considers the experience, expertise, intellect, and judgment of potential nominees irrespective of their race, gender, age, religion, or other personal characteristics. The Corporate Governance Committee may look for nominees that can bring new skill sets or diverse business perspectives. Potential candidates recommended by security holders will be considered as provided in the company's "Policy Regarding Shareholder Candidates for Nomination as a Director," which sets forth the procedures and conditions for such recommendations. This policy is available through our website at [www.microbotmedical.com](http://www.microbotmedical.com).

The members of the Corporate Governance Committee have approved the nomination of the Class III directors standing for election or reelection, as the case may be, at our 2021 Annual Meeting.

### ***Director Oversight and Qualifications***

While management is responsible for the day-to-day management of the risks the company faces, the Board, as a whole and through its committees, has responsibility for the oversight of risk management. An important part of risk management is not only understanding the risks facing the company and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. In support of this oversight function, the Board receives regular reports from our Chief Executive Officer and members of senior management on operational, financial, legal, and regulatory issues and risks. The Audit Committee additionally is charged under its charter with oversight of financial risk, including the company's internal controls, and it receives regular reports from management, the company's internal auditors and the company's independent auditors. The chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the company's management and affairs through its standing committees and, when necessary, special meetings of directors.

We believe each of our directors brings valuable skills, experience, judgment, and perspectives to our company. The Board took the following qualifications into consideration, among other things, when nominating or appointing our current directors:

*Harel Gadot*, became President, Chief Executive Officer and Chairman of the Company's Board following the consummation of the merger of C&RD Israel Ltd, a wholly owned subsidiary of the Company, with and into Microbot Medical Ltd. ("Microbot Israel"), with Microbot Israel surviving as a wholly owned subsidiary of the Company (the "Merger"). Mr. Gadot is a co-founder of Microbot Israel and has served as Microbot Israel's Chief Executive Officer since Microbot Israel was founded in November 2010. He has been the Chairman of Microbot Israel's board of directors since July 2014. He also serves as the Chairman of XACT Robotics Ltd., an Israel-based private company seeking to develop a novel platform technology for robotic needle steering in minimally invasive interventional procedures such as biopsies and ablations, since August 2013 and MEDX Xelerator L.P., a medical device and digital health Israeli incubator, since July 2016. From December 2007 to April 2010 Mr. Gadot was a Worldwide Group Marketing Director at Ethicon Inc., a Johnson and Johnson Company, where he was responsible for the global strategic marketing of the Company. Mr. Gadot also held management positions, as well as leading regional strategic position for Europe, Middle-East and Africa, as well as In Israel, while at Johnson and Johnson. Mr. Gadot served as director for ConTIPI Ltd. from August 2010 until November 2013 when ConTIPI Ltd. was acquired by Kimberly-Clark Corporation. Mr. Gadot holds a B.Sc. in Business from Siena College, Loudonville NY, and an M.B.A. from the University of Manchester, UK. The Company believes that Mr. Gadot is qualified to serve as Chairman of the Board and as President and Chief Executive Officer of the Company due to his extensive experience in strategic marketing and general management in the medical device industry.

*Yoseph Bornstein*, became a director of the Company following the Merger. Mr. Bornstein is a co-founder of Microbot Israel and has been a member of the Board of Directors since Microbot Israel was founded in November 2010. Mr. Bornstein founded Shizim Ltd., a life science holding group in October 2000 and has served as its president since then. Mr. Bornstein is the Chairman of GCP Clinical Studies Ltd., a provider of clinical research services and educational programs in Israel since January 2002. He is the Chairman of Biotis Ltd., a service company for the bio-pharmaceutical industry, since June 2000. In addition, he is the Chairman of Dolphin Medical Ltd., which supplies the medical device industry, since April 2012, and the Chairman of ASIS Enterprises B.B.G. Ltd., a business development company focusing on creating business ties between Israeli and Japanese entities, since August 2007. Mr. Bornstein is a co-founder and director of XACT Robotics, which is developing a novel platform technology for robotic needle steering in minimally invasive interventional procedures. In October 1992, Mr. Bornstein founded Pharmateam Ltd., an Israeli company that specialized in representing international pharmaceutical companies which was sold in 2000. Mr. Bornstein is also a founder of a number of other privately held life-science companies. Mr. Bornstein served as the Biotechnology Committee Chairman of the United States-Israel Science & Technology Commission (the “USISTC”) from September 2002 to February 2005 as well as a consultant for USISTC from September 2002 to February 2005. He is also the founder of ILSI-Israel Life Science Industry Organization (who was integrated into IATI) and ITTN-Israel Tech Transfer Organization. He founded in July 2014 ShizimXL Ltd., an international medical device innovation center, and founded in January 2020 ShizimVS Ltd., a digital health innovation center. Mr. Bornstein was nominated in August 2021 to be an external director in Can-fit BioPharma Ltd. (Nasdaq:CANF). The Company believes that Mr. Bornstein is qualified to serve as a member of the Board due to his extensive experience in, and knowledge of, the life sciences industry and international business.

*Scott R. Burell*, became a director of the Company following the Merger. Since August 1, 2018, Mr. Burell has been the Chief Financial Officer of AIVITA Biomedical, Inc., an Irvine California-based immuno-oncology company focused on the advancement of commercial and clinical-stage programs utilizing curative and regenerative medicines. From November 2006 until its sale to Invitae Corp. (NYSE: NVTA) in November 2017, he was the Chief Financial Officer, Secretary and Treasurer of CombiMatrix Corporation (NASDAQ: CBMX), a family health-focused clinical molecular diagnostic laboratory specializing in pre-implantation genetic screening, prenatal diagnosis, miscarriage analysis, and pediatric developmental disorders. He successfully led the split-off of CombiMatrix in 2007 from its former parent, has led several successful public and private debt and equity financing transactions as well as CombiMatrix’s reorganization in 2010. Prior to this, Mr. Burell had served as CombiMatrix’s Vice President of Finance since November 2001 and as its Controller from February 2001 to November 2001. From May 1999 to first joining CombiMatrix in February 2001, Mr. Burell was the Controller for Network Commerce, Inc. (NASDAQ: SPNW), a publicly traded technology and information infrastructure company located in Seattle. Prior to this, Mr. Burell spent nine years with Arthur Andersen’s Audit and Business Advisory practice in Seattle. During his tenure in public accounting, Mr. Burell worked with many clients, both public and private, in the high-tech and healthcare markets, and was involved in numerous public offerings, spin-offs, mergers and acquisitions. Mr. Burell obtained his Washington state CPA license in 1992 and is a certified public accountant (currently inactive). He holds Bachelor of Science degrees in Accounting and Business Finance from Central Washington University. The Company believes Mr. Burell’s qualifications to serve on the Board include his experience as an executive of a public life sciences company and knowledge of financial accounting in the medical technology field.

*Martin Madden*, has been a director of the Company since February 6, 2017. Mr. Madden has held various positions at Johnson & Johnson and its affiliates from 1986 to January 2017, most recently as Vice President, Research & Development of DePuy Synthes, a Johnson & Johnson Company, from February 2016 to January 2017. ### *Pre-Approval Policies and Procedures*

The Audit Committee has adopted policies and procedures for pre-approving all services (audit and non-audit) performed by our independent auditors. In accordance with such policies and procedures, the Audit Committee is required to pre-approve all audit and non-audit services to be performed by the independent auditors in order to assure that the provision of such services is in accordance with the rules and regulations of the SEC and does not impair the auditors' independence. Under the policy, pre-approval is generally provided up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may pre-approve additional services on a case-by-case basis.

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees our accounting and financial reporting processes and the audits of our financial statements on behalf of the Board and selects an independent public accounting firm to perform these audits. Management has the primary responsibility for establishing and maintaining adequate internal control over financial reporting, preparing the financial statements, and establishing and maintaining adequate controls over public reporting. Our independent registered public accounting firm for fiscal 2020, Deloitte, had responsibility for conducting an audit of our annual financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

The Audit Committee oversaw the independent public accounting firm's qualifications and independence, as well as its performance. The Audit Committee assisted the Board in overseeing the preparation of the Company's financial statements, the Company's compliance with legal and regulatory requirements, and the performance of the Company's internal audit function. The Audit Committee met with personnel of the Company and Deloitte to review the scope and the results of the annual audit, the amount of audit fees, the Company's internal accounting controls, the Company's financial statements contained in the Company's Annual Report to Shareholders and other related matters.

The Audit Committee has reviewed and discussed with management the financial statements for fiscal year 2019 audited by Deloitte, as well as management's report on internal control over financial reporting, using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control — Integrated Framework. The Audit Committee has discussed with Deloitte various matters related to the financial statements, including those matters required to be discussed by SAS 114 (The Auditor's Communication with Those Charged with Governance). The Audit Committee has also discussed with Deloitte its report on internal control over financial reporting, has received the written disclosures and the letter from Deloitte required by Public Company Accounting Oversight Board (PCAOB) Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence* (Rule 3526), and has discussed with Deloitte its independence.

Based upon such review and discussions, the Audit Committee recommended to the Board of Directors, and the Board approved the recommendation, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2020 for filing with the SEC.

### PROPOSAL 1: NOMINEES FOR ELECTION OF CLASS III DIRECTORS

The number of directors is currently fixed at seven. Both our restated certificate of incorporation, as amended to date, and our amended and restated by-laws provide for the classification of the Board into three classes (Class I, Class II and Class III), as nearly equal in number as possible, with the term of office of one class expiring each year.

Unless otherwise instructed, the enclosed proxy will be voted to elect the nominees named below as Class III directors for a term of three years expiring at the 2024 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Both Class III director nominees have been recommended by the Corporate Governance Committee because of their past experience serving on the Company's Board, the breadth of their business expertise, sound judgment, and demonstrated leadership, among other things. Proxies cannot be voted for a greater number of persons than the number of nominees named below. It is expected that the nominees will be able to serve, but if any are unable to serve, the proxy will be voted for a substitute nominee or nominees designated by the Board.

The Corporate Governance Committee has recommended and the Board has nominated **Yoseph Bornstein and Prattipati Laxminarain** for election as the Company's Class III directors to serve as Class III Directors until the 2024 Annual Meeting of Shareholders.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 1 TO ELECT AS DIRECTORS THE TWO NOMINEES DESCRIBED ABOVE.**

## PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The Company is asking the stockholders to ratify the selection of Deloitte, or its U.S. affiliate, as the Company's independent public accountants for the fiscal year ending December 31, 2021. The affirmative vote of the holders of a majority of the shares represented and voting at the Annual Meeting will be required to ratify the selection of Deloitte or its U.S. affiliate.

In the event the stockholders fail to ratify the appointment, the Audit Committee of the Board of Directors will consider it as a recommendation to select other auditors for the subsequent year, which the Audit Committee would then take under advisement. Even if the selection is ratified, the Audit Committee of the Board at its discretion could decide to terminate the engagement of Deloitte or its U.S. affiliate and engage another firm at any time if the Audit Committee determines that such a change would be necessary or desirable in the best interests of the Company and its stockholders.

A representative of Deloitte is expected to attend the Annual Meeting telephonically and is not expected to make a statement, but will be available to respond to appropriate questions and may make a statement if such representative desires to do so.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 2 TO RATIFY THE SELECTION OF DELOITTE OR ITS U.S. AFFILIATE AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2021.**

## OTHER MATTERS

### Shareholder Proposals

Shareholders who wish to present proposals for inclusion in the Company's proxy materials for the 2022 Annual Meeting of Shareholders may do so by following the procedures prescribed in Rule 14a-8 under the Exchange Act. To be eligible, the Shareholder proposals must be received by our corporate secretary on or before April 2, 2022.

Shareholders who wish to make a proposal at the 2022 Annual Meeting of Shareholders, other than one that will be included in our proxy materials, must notify us no later than June 18, 2022 (see Rule 14a-4 under the Exchange Act). If a Shareholder who wishes to present a proposal at the 2022 Annual Meeting of Shareholders fails to notify us by June 18, 2021, the proxies that management solicits for the meeting will confer discretionary authority to vote on the Shareholder's proposal if it is properly brought before the meeting.

### Shareholder Nominations of Directors

A shareholder entitled to vote for the election of directors at a meeting may nominate persons for election as directors by giving timely notice thereof in proper written form to the secretary accompanied by a petition signed by at least 100 record holders of capital stock of the Company which shows the class and number of shares held by each person and which represent in the aggregate 1% or more of the outstanding shares entitled to vote in the election of directors. The submission must be in writing and delivered to Microbot Medical Inc., Attn: Secretary, Board of Directors, 25 Recreation Park Drive, Unit 108, Hingham, MA 02043, in accordance with the advance notice procedures and other requirements set forth in Section 3.2 of our bylaws for nominees to be considered for nomination at the 2022 annual meeting. These requirements are separate from, and in addition to, the requirements discussed above to have the shareholder nomination or other proposals included in our proxy statement and form of proxy/voting instruction card pursuant to the SEC's rules. Submissions must include the name, address and number of shares of common stock beneficially owned by each participant in the Nominating Shareholder group, a representation that the Nominating Shareholder meets the requirements described in the Board policy and will continue to meet them through the date of the annual meeting, a description of all arrangements or understandings between or among the Nominating Shareholder group (or any participant in the Nominating Shareholder group) and the candidate or any other person or entity regarding the candidate, all information regarding the candidate that the Company would be required to disclose in a proxy statement under SEC rules, including whether the candidate is independent or, if not, a description of the reasons why not, the consent of the candidate to serve as a director, and representations by the candidate regarding his or her performance of the duties of a director. Full details may be obtained from the secretary of the Board at the address above or on our website at [www.microbotmedical.com](http://www.microbotmedical.com). The Corporate Governance Committee will consider and evaluate up to two candidates recommended in accordance with this policy in connection with any annual meeting. The Corporate Governance Committee will consider and evaluate candidates recommended by Shareholders on the same basis as candidates recommended by other sources.

In addition, the Company's by-laws provide that a Shareholder entitled to vote for the election of directors at a meeting may nominate persons for election as directors by giving timely notice thereof in proper written form to the Secretary accompanied by a petition signed by at least 100 record holders of capital stock of the Company representing in the aggregate 1% or more of the outstanding shares entitled to vote in the election of directors, which petition must show the class and number of shares held by each person. To be timely, such notice and petition must be received at the principal executive offices of the Company not less than 60 days nor more than 90 days prior to the meeting, except if less than 70 days notice of the date of the meeting is given to Shareholders, in which case the notice and petition must be received not later than the close of business on the tenth day following the day on which notice of the date of the meeting was mailed or public disclosure of such date was made. The requesting Shareholder is required to provide information with respect to the nominee(s) for director similar to that described above, as more fully set forth in the Company's by-laws.
